TWO-GUN MICKEY

It's "Two-Gun Mickey" to the rescue! In the 1934 cartoon that inspired this ornament, our hero sets out to rescue Minnie, who finds herself in real trouble. Even though she claims she can take care of herself, Minnie is no match for the bandits who attempt to steal the bag of loot she withdraws from the bank. So with great persistence and the help of his lasso, his pistol, and his horse, Mickey takes care of the bad guys, rescues Minnie, and saves the day once again!
